¿PRECIO? MAS DISEÑOS?

Hola, soy Welling, permítame aclarar los siguientes puntos antes de que nos comuniquemos más.

1. Actualmente no tenemos oficinas en otros países, solo podemos enviar desde China. Envío por DHL/Fedex
2. Para proteger la economía local y ahorrar costos de envío, solo aceptamos pedidos al por mayor, si no puede aceptar la cantidad mínima de pedido de 500 unidades por modelo, le recomiendo comprar localmente.
3. Todavía tenemos muchos diseños inéditos, que solo están abiertos a los miembros, perdóname, porque estamos buscando socios comerciales que puedan cooperar durante mucho tiempo, su tipo de negocio, el propósito de la compra, si tiene importación experiencia, etc. Muy importante. Si está listo para cooperar con nosotros, comuníquese conmigo a través del código QR junto a mí para obtener más detalles.
